MEMORANDUM FOR : Chief, Technical Plans and Development Staff, NPIC
SUBJECT : Generation Identification for Dupes

1. The attached letter, dated 14 August 1961, from Ed Green is a suggestion on identifying generation of duplicates. This was discussed with Ed, as you will remember, when we were up there a couple of weeks ago on a visit.

2. It seems that this is a perfect time to discuss this with the group of people coming in to your 1 September meeting.

3. Please let me know your decision so we can take appropriate action with Ed.
